guest: Jacob what is your favorite danish festival?

Laust: LA LUNA: TODAY WE REHEARSED D-LAW, AND I NEVER LIKED TO PLAY THAT SONG, BUT TODAY IT SOUNDED REALLY GOOD AND WAS NICE TO PLAY!! TODAYS FAVE

mette_39@yahoo.dk: JESPER- is it true that the lyrics to Blood/Out is a description of the feeling you get when you hold a tone for a long time and the blood goes to your head??XD

klc: Torleif: what about a limited NetPet t-shirt?

Jesper: LUNA: GOOD CHOICE!!

guest: Jacob: Your favorite song for now?

Jacob: LA LUNA: YOU LIKE THE GIRLIE-SONGS :-)

psychopat: try soul asylum stig their new one is great

Macscot: la luna, youre not alone on Land of Milk and Honey!

Molly: I don't know why they put that honey in the song - milk would be enough! Mooh!

Laust: LA LUNA: I LIKE MILK AND HONEY TOO

Molly: I don't know why they put that honey in the song - milk would be enough! Mooh!

Rod: Luna - I love that song.

Jacob: ROSKILDE

Headcrusher: STIG, <http://kipelov.ru/> check this one out! :-)

TheEvilTwin: TORLEIF: YEEES!! That's sound great!! Are they available in the shops at concerts or will they be sold in the webshop? :-D

Torleif: KLC - THEN WE HAVE TO MAKE A PREORDER...

guest: Jacob: I sure do, but my first peace of cynyl was AC/DC Back in Black... Å'DonÅ't underestimate me ;-)

Jacob: LA LUNA: DO YOU KVOW "IÅ'D RATHER LIVE THAN DIE"?

klc: Torleif: is that impossible?!

Jesper: BLOOD IN...ITS ONE OF THE WAYS TO SEE IT - BUT LE PREMIER REASON: IT SOUNDS GREAT!!

guest: Jesper + Rod: :-) and a small slighty misdrawed red heart

Jacob: I LIKE GIRLIE-SONGS :-)

Julie87DK: My favorite song would have to be Nineteenhundredandyeasterday, it's my "happy-song"

Sarah Nina: my too julie

Jacob: I THINK THERE WILL BE MORE HAPPY SONGS NEXT TIME

Julie87DK: It's just such a tune isn't it :) love it

guest: dammit, cinyl... =vinyl. I need a smoke to be able to hit the stupid letters on this machine...I'll be back

The Marlboroman: Cobber: Have you considered doing a full blown concept with album and live setup as with Everything Glows?

dernice: Jacob, with No Fuel or Riskin?

bitten: you should make a campfire tour :) that would be great :)

Laust: SARAH NINA: WE WOULD TO REHEARSE THE BACKING VOCALS TOO MUCH ... IT WON'T WORK....EVER....

raschie: Thx for 2 fantastic gigs in Odense and Tivoli last year. Just a shame that you're not able to turn up the volume in Tivoli. Great rock deserves to be played for full power with no limit on the volume. I'm thinking of going to your gig in London in march. Will the playlist be equal to the concerts in Denmark, or do you have something extra, which means that I can't stay away?
