

BAND CHAT JANUARY 7, 2015

Azda: 'morning Molly - are you prepared for the invasion this evening?

Molly: Good morning! Moooh!

Azda: no, I don't think so, will send you on a vacation O:-)

Miss juliemus: Hello everybody

TDK: Helo

Miss juliemus: Hello adza

The Marlboroman: Hello all.... Well only Tina.... and MOLLY

The Marlboroman: And Miss juliemus and TDK

Miss juliemus: Hello malboroman

The Marlboroman: What was your D-A-D highlight of 2014?

TDK: Hello Marlboroman-my DAD highlight of last year was the Flensburg concert!

The Marlboroman: On the Club tour I managed to see them in Frederikshavn, Aalborg and Hamburg - the best one was Frederikshavn - the very first gig of the tour

Tina C: Hello everyone :)

The Marlboroman: Hello Tina

Tina C: Hahaha.. whoops.. I mean, hello everyone :-)

Miss juliemus: Hello tina

Tina C: Nice to see the chat being more alive :-)

meretestock: Hello everyone

The Marlboroman: Tina - Hmmmm... It's not like in the good old days back in late 90's and early 00's

The Marlboroman: :-@

The Marlboroman: ... And a lot of the good old smilies are gone :(

The Marlboroman: >:-)

Tina C: Marlboroman, no it isn't. Hard to say why, but hopefully we can get the site and chat more alive again :-)

Tina C: Molly

The Marlboroman: Tina - I don't think it's gonna happen. Almost all communication between fans and the band takes place on Facebook

Tina C: Uh oh... Azda muted Molly! :-D

The Marlboroman: Tina - Let's just face it, this chat is only alive when the band is around - it's okay, but I can become nostalgic about it from time to time

The Marlboroman: 8-)

The Marlboroman: *-)

Tina C: True.. but I use the website more than the FB page :-) It's so cozy here :-)

The Marlboroman: It sure is here at The Rock of Rock with the Disneyland Castle in the background

Tina C: It's our home :-D

TDK: I really like the design of the website!

Tina C: TDK Me too! An island full of rock, rock and rock :-D

The Marlboroman: The basic design of the previous site was from the '97 website.... So I guess it was time for a complete makeover

The Marlboroman: Azda - Why are the old smilies gone?

Azda:]:-)

Azda: hm, one more try, TM: :*)
The Marlboroman: Azda - As I said - they're gone ;-)
Miss juliemus: Malbroman:)
Azda: TM - some of them had to change shortcuts, for example the devils, but most of them are still around, you just don't remember the shortcuts O;-)
Azda: B-)
Azda: :*)
The Marlboroman: >:-)
Tina C: AZDA!!!
The Marlboroman: Hmm... I'll go smilie hunting then.... I won't be banned for "flooding" right?
The Marlboroman: *-)
Azda: hi Tina - I'll soon put on my working dress, was just here as an observer, when TM mentioned missing smilies... ;-)
Azda: TM - you're very welcome to go smiley hunting! :-D Maybe not while our guests are here, but otherwise, just go on :D
